SUMMARY

Computer Science and Engineering undergraduate at Easwari Engineering College with a strong foundation in C, C++, Java, web development, and MySQL. Experienced in developing academic projects including a Java-based Food Donation Management System and a luxury clothing brand website. Interested in software development, web technologies, and building practical solutions to real-world problems.

TECHNICAL SKILLS

Languages: C, C++, Java

Web: HTML, CSS, JavaScript

Database: MySQL

Tools: GitHub, VS Code

EXPERIENCE

Academic Team Project - Website Development

- Collaborated with teammates to develop a web-based academic project using Java, contributing to implementation, testing, and integration of project features.
- Worked with team members to troubleshoot issues and complete the application requirements.

KEY PROJECTS

Food Donation Management System

Java | MySQL | JDBC | GUI

- Developed a role-based system connecting donors with NGOs and volunteers for collection and distribution of excess food.
- Implemented separate login functionality for Donors, NGOs/Volunteers, and Admin.
- Enabled donors to post available food donations and NGOs/Volunteers to manage collection and distribution.
- Designed administrative functions for managing users, donations, and the overall donation network.

Velora - Luxury Clothing Brand Website

HTML | CSS | JavaScript

- Designed and developed a modern website concept for a luxury clothing brand using HTML, CSS, and JavaScript.
- Created a clean, visually focused interface with structured web pages and interactive frontend elements.

EDUCATION

B.E. Computer Science and Engineering - Easwari Engineering College

2025 - 2029 | CGPA: 8.52 / 10

Higher Secondary (12th): 80% | Secondary (10th): 80%

CERTIFICATIONS & ACHIEVEMENTS

- NPTEL - The Joy of Computing using Python
- NPTEL - Soft Skills
- HTML Essentials - Certification
- Microsoft - AI and Generative AI Basics
- Cisco - Concepts of Cyber Security
- Easwari Engineering College, Department - Prep2Placements Participation Certificate
